

Australia's National Beef Exposition

7 May to 12 May 2012

**James Lawrence Pavilion
Technology Room**

**Daily – Tuesday 8 May to Friday 11 May
9.00 am – 10.00 am**

**Grazing BMP
A best management practice program for the grazing industry**

This interactive seminar will:

- outline the background of the program
- explain the history of the program & future possibilities
- present a practical demonstration of the program & how it works
- allow participants to experience the program first hand through a mock workshop

Grazing BMP is a joint initiative between - Fitzroy Basin Association (FBA), AgForce and DEEDI

Presentation by Matt Brown, DEEDI and Adam Northey, FBA
