

Beef 2012 Homestay

Information for Hosts

The Beef 2012 Homestay Program assists local residents in opening their homes to guests who are in Rockhampton to attend Beef Australia in May 2012.

All hosts should have a common aim: to make guests welcome by offering them all the comforts of home.

All homes are inspected and details as to the number of beds, bathrooms / toilet facilities and other features are recorded and advised to the prospective guests.

Tariff Structure

If the host remains in the residence a charge of **\$70-\$85** per person per night is the standard charge, with a minimum booking of 3 nights. The final rate will be determined by the location and facilities on offer.

A fee of **\$85-\$110** per person per night will apply to a vacated house, with a minimum stay of 4 nights a general condition.

There is no reduction in total cost if the number of guests is reduced once booking is confirmed. Reduced rates apply for children under 15 years.

Insurance Cover

Hosts must ensure and show evidence that they are covered by public liability insurance. This cover is generally included in a home insurance policy.

Please Note, Beef Australia operates solely as a Facilitation / Booking Agent only and is in no way liable for the actions of guests or hosts in respect of bookings made through this program.

Payment Structure

A facilitation fee of 10% of total cost is payable by the guest to Beef Australia 2012 Homestay Program to confirm a booking. On receipt of the facilitation fee, details of the Homestay Program host will be provided to the guest and balance of payment confirmed, payable directly to the host 30 days prior to commencement of stay.

Cancellations

A refund of any money paid to the host less a fee of 10% is returnable for cancellations between time of payment in full and up to 14 days of commencement of booking. For cancellations within 14 days of the commencement of the booking, or "no show", the cancellation fee will be by negotiation between the host and the guest.
