

***Where would farmers be without their boots? If you've got work to get done there is only one tool you must have no matter what jobs are on the list - BOOTS!***

***AgForce Queensland invites primary school students from Queensland to participate in the BEEF Boot competition. Students are to decorate a boot that reflects the theme 'From Farm to Fork - My relationship with agriculture'.***

*The purpose of the competition is to ignite interest in agriculture whilst engaging children in a fun competition which aims to improve their knowledge of the agricultural industry. Particularly looking at where their food and fibre comes from.*

*Simply decorate the BEEF Boot template provided, reflecting on the theme 'From Farm to Fork - My relationship with agriculture', fill out the entry form and send or email it to AgForce for your chance to win some great prizes from BEEF Australia.*

*The 'BEEF Boot' entries will be on display at BEEF Australia 2018 in Rockhampton with the winner announced during the event.*

*This is a fun and creative opportunity for students to get involved with the local community.*

*Please send your BEEF Boot designs to [FutureAg@agforceqld.org.au](mailto:FutureAg@agforceqld.org.au) or by mail to:
